Don't want to be interrupted
While the tv's on
Don't want to be readjusted
When my mind is gone
Don't want to be old and jaded
Until my heart gives out

Don't want to be don't want to be

Sucked in spit out
Reactor

Going cold on the outside
Burning up on the inside
Someday I'm going to grow up
But the pressure is building and I'm gonna blow
up

Don't want to be pg rated
If I turn you on
Don't want to be elevated
If I'm coming down
Don't want to be young and wasted
Cause it works for you

Gun that's ready to unload
Push me again and I'm liable to explode
All over
All over you

Going cold on the outside
Burning up on the inside
Someday I'm going to grow up
But the pressure is building and I'm going to
blow up
Gun that's ready to unload
Push me again and I'm liable to explode

All over
All over
All over you
