## "So Cool"

Got our first gig at the local bar  
And it wasn't paying  
Hauled in beat up amps and cheap guitars  
Plugged 'em in and started playing

\*testify\*

We got tattoos and a rental van  
With my girlfriend's money  
Now she wants it back 'cause she hates the band  
We think that's funny

You think I'm so cool  
You think I'm so cool

We're in it for money  
Guitars and tattoos  
You fell for it honey  
Oh yeah  
Don't you think that's cool?

You bought my CD and a video  
With your daddy's money  
Now you can't afford to make the show  
Don't you find that funny?

You think I'm so cool  
You think I'm so cool  
We're in it for money  
The pills and the booze  
You fell for it honey  
Oh yeah  
Don't you think that's cool?

You think I'm so cool  
You think I'm so cool  
You think I'm so cool  
You think I'm so cool

\*put your hands in the air\*  
\*you gotta shake your ass too\*  
\*we're only in it for the money\*

hey baby don't you think that's cool?  
Hey baby don't you think  
don't you think that's

The drummer counts to four  
Everything's cool  
He twirls his stick and starts to drool  
If any of you ladies got a thing for us  
We'll meet you later at the back of the bus
