If this should end my love, I'll find you again  
I've done it this time, I'll do it again  
If my bell should sound my dear, have nothing to fear  
I'll always be close, and hold you so dear  
Don't want to go first, don't want to be left behind  
Don't ever go, don't ever die

Beautiful awkward pictures  
That stay in your mind & linger  
Beautiful awkward pictures  
That you take with your eyes & fingers

You are so pure my love, it makes me cry  
You turn the earth for me, set the sun each night  
Memory can fade it's true, memory can lie  
No one can steal, these pictures inside

Beautiful awkward pictures  
That stay in your mind & linger  
Beautiful awkward pictures  
That you take with your eyes & fingers

When you lose someone, how fleeting we are  
You feel you might break, just counting the stars  
Tattoo your love, across your bare chest  
Chance to be silenced, alone in your head

Beautiful awkward pictures  
That stay in your mind & linger  
Beautiful awkward pictures  
That you take with your eyes & fingers  
Beautiful awkward pictures  
That stay in your mind & linger  
Beautiful awkward pictures  
That you take with your eyes & fingers
