I cut like a scalpel  
Make fire like a lighter  
Watch out for my teeth  
I bite like a tiger

I'm a monster in the city  
And a twister in the country  
I'll rock it till its gritty  
When I cut my tracks with Izzy

Oh (hey) I'll break your down  
And go to town  
Oh (hey) When I walk  
you'll kiss the ground.

Cause I'm from the south (yall)  
Don't mean I'll watch my mouth (oh no)  
Try and be my boss;  
And you bet I'll cut you off

School you till your dizzy  
Make time if your busy  
Whenâ€¦.

When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops

I'm a supernova  
So fantastic  
Hard like steel  
And burns like acid  
Racing cars and filming classics  
Nothing on me is made of plastic..

Oh (hey) I'll break your down

And go to town  
Oh (hey) When I walk  
you'll kiss the ground.

Grammy winner; then an Oscar  
Heavy weight just like a boxer  
Cause I'm young don't mean I'm proper  
When were done, you'll call me Poppa  
Whenâ€¦

When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops

Oh (hey) I'll break your down  
And go to town  
Oh (hey) When I walk  
you'll kiss the ground.

Grammy winner; then an Oscar  
Heavy weight just like a boxer  
Cause I'm young don't mean I'm proper  
When were done, you'll call me Poppa  
Whenâ€¦

When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops  
When the beat drops  
Whe-when the beat drops
