Haters,
Don't hate us like we're famous!
We're not the ones who fake it!
Cause fakers never make it!
Haters gonna hate!

Haters gonna hate!

Haters gonna hate!

Haters,
Don't hate us like we're famous!
We're not the ones who fake it!
Cause fakers never make it!
Haters gonna hate!

Haters gonna hate!

Haters,
Don't hate us like we're famous!
We're not the ones who fake it!
Cause fakers never make it!
Haters gonna hate!

Haters, haters, haters
Haters gonna hate!
