I feel you're gettin' closer boy
I feel the heat run across my body now
It's time, go on and get it on
I can tell tonight, you ain't seen nothing yet

I don't need no doctor, baby
I just need a cure, that's no big deal
Don't give me another maybe
If you ain't got nothing, ou can't get something from
me
From me, from me, from me, from me, from me

I feel you're getting closer now
It ain't easy to read my body right
I feel you're gettin' on it now, on it now, on it now
You ain't seen nothing yet

I don't need no doctor, baby
I just need a cure, that's no big deal
Don't give me another maybe
If you ain't got nothing, you can't get something from
me
From me, from me, from me, from me, from me

B-b-baby, you just ain't seen nothing yet
B-b-baby, you just ain't seen nothing yet
B-b-baby, you just ain't seen nothing yet
B-b-baby, you just ain't seen nothing yet
You-you ain't seen nothing yet

I don't need no doctor, baby
I just need a cure, that's no big deal
Don't give me another maybe
You ain't got nothing, you can't get something from me

I don't need no doctor, baby
I just need a cure, that's no big deal
I don't need a doctor baby
I just need a cure, you ain't seen nothing yet

I don't need no doctor, baby, baby, baby

Can't get something from me, from me, from me, from
me, from me

From me, from me, from me, from me, from me

Ooohhh yeah, yeah, yeah, yeah, yeah

B-b-baby, you just ain't seen nothing yet

B-b-baby, you just ain't seen nothing yet
