If I Knew You Would Even Try

It Seems A Lot Of People
Have Met On Common Ground
I Know What You Are Doing
When 420 Rolls Around
It's Time To Take This Concept
To The Next Level
Forward Our Mission
At 421

And I Know
You Are All Out There
And I Know
That We All Could Careâ€¦
At 421

People Are You Listening
At 421
People Stop Your Stressing
At 421
People Are You Listening
Lifes Too Short To Stress

Take A Picture Of Your Life
What Is Wrong, What Is Right
You Need Some Change
Re-Arrange Your Vibe You Say
Yes You Know Your Guilty Of The Negativity
With That Mentalityâ€¦
What The Hell You Lookin At
Don't Mad Dog Me

So I Take A Little Time Just To
Ease Up Your Mind.
421... Meditation... Remembering
What's Important

People Are You Listening
At 421
People Stop Your Stressing

At 421
People Are You Listening
Lifes Too Short To Stress

And I Know
You Are All Out There
And I Know
That We All Could Care
Because A Minute Goes
A Mile Long
A Minute Goes A Mile
Long
The World Could Take
A Minute A Day
Remember The Love And Unity
Because A Minute Goes
A Mile Long
A Minute Goes A Mile Long
The World Could Take
A Minute A Dayâ€¦Remembering
At 421

People Are You Listening
At 421
People Stop Your Stressing
At 421
People Are You Listening
Lifes To Short To Stress
Lifes To Short To Stress
Lifes To Short To Stress

So When A Lot Of People
Meet On This Common Ground
They'll Know What To Do
At 422
