### "The Day"

Another Monday Morning  
The World Chews Through  
Another Week  
Little Kids Getting Loaded  
Downloading Porn  
And Nancy Reagans Dead  
Just Say No To A Future  
All 401k's Have All Been Spent  
You'll Be Saved If Your Christian  
And Fuck The Rest

Fools Running  
Chasing The Loot  
Fools Running  
Why

Meanwhile At The White House  
Scandal Is The Latest Trend  
Hyena-Girl From The Porno Channel  
Is Blowing The President  
I Ain't Talking About The Clinton  
I'm Talking About  
The Rest Of The Staff  
A Puppets Running The Country  
At You He Laughs

Fools Running  
Chasing The Loot  
Fools Running  
Why

The Day That You Opened Your Eyes  
The Day That You Opened Your Eyes  
The Day That You Saw Through The Lies

I'm Scum Of The Population  
But That's All Right With Me  
I Fall To That Statistic  
Cause I Don't Make Enough Money  
The Most Precious Thing I Can Give  
I Know Is My Time,

But I'm No Stiff In A Monkey Suit Like

Fools Running  
Chasing The Loot  
Fools Running  
Why

The Day That You Opened Your Eyes  
The Day That You Opened Your Eyes  
The Day That You Saw Through The Lies

All You Need To Know Now  
There Ain't Nothing Real  
About Reality T.V.  
You Can Invest In The Fiction  
Or Get A Life

Fools Running  
Chasing The Loot  
Fools Running  
Why

The Day That You Opened Your Eyes  
The Day That You Opened Your Eyes  
The Day That You Saw Through The Lies  
Why  
The Day That You Opened Your Eyes  
The Day That You Opened Your Eyes  
The Day That You Saw Through The Lies
