(- I don't think I can have another day of this!
Why don't we run away somewhere?
- Where?
- I don't know. Paris? Buenos Aires? New York?)

I could fly to Kingston tonight
And act like everything's alright
Or run away to Milan for a while
Maybe visit San Siro and keep a low profile

I can run, but I can't hide
It's all inside
It's all inside
I can run, but I can't hide
It's all inside
It's all inside

Could pack my bags for Amsterdam
And make tulips turn a part of my masterplan
Maybe Chamonix I'll find peace of mind
Simply cruising down the hills in the sunshine

Now I know that New York is where a boy can have
some fun
If I only could change where I came from

I can run, but I can't hide
It's all inside
It's all inside
I can run, but I can't hide
It's all inside
It's all inside

(- Why don't we get away somewhere?
- Where?)

Belo Horizonte seems nice
If you're looking for a way to preserve some light
I'll go back to Nice for a while
To provide some nice calmness for my inner drive

Now I know that New York is where a boy can have
some fun
If I only could change where I came from

Maybe, maybe, I just gotta take the days one by one
If I only could change where I came from

It's all inside x 4

I can run, but I can't hide
It's all inside
It's all inside
I can run, but I can't hide
It's all inside
It's all inside

etc.
