Sugar, watch your back
Cover up our tracks

Hey you know it's
Time to show it
We take no shit
We just shake it off

We don't need it
Don't believe a word
You'll sure feel it
When your dreams get blurred
We'll pay forever
If you don't keep it pure baby
That's for sure
Just keep it pure

Sugar, keep it cool
You're with The New School

Hey you know it's
Time to show it
We take no shit
We're made to last

Sugar, let's draw the line
Now is the time to shine

Hey you know it's
Time to show it
We take no shit
We're truly blessed

We don't need it
Don't believe a word
You'll sure feel it
When your dreams get blurred
We'll shine forever
If you just keep it pure baby
That's for sure
Just keep it pure
