(What do you want to do?
Dunno know really, live I suppose, see what happens)

Laughing through the day
Thinking you are never boring
Speeding through the night
Maybe you don't count the morning

There's nothing you can do to keep it out
There's nothing you can do, just scream and shout
Living for today, but you just can't find tomorrow
Talking about the joy, but it never stops the sorrow
There's nothing you can do to keep it out
There's nothing you can do but scream and shout

Saying: Lucky lucky, so lucky lucky
So lovely lovely, so lovely lovely
You can fool yourself
I promise it will help
Now every single day
I just wanna hear you say

Even though you said it would never end it's over
You were smiling on my arm
Now you're crying on my shoulder
There's nothing you can do to keep it out
There's nothing you can do, just scream and shout

Saying: Lucky lucky, so lucky lucky
So lovely lovely, so lovely lovely
You can fool yourself
I promise it will help
Now every single day
I just wanna hear you say

That you can never be forever
Good together, young and clever
You can never be forever
Keep it up, don't ever stop
Through night and day
The words to say are

Saying: Lucky lucky, so lucky lucky
So lovely lovely, so lovely lovely
You can fool yourself
I promised it will help
Now every single day
I just wanna hear you say
