Doing time for silly crimes
Wasn't all I had in mind
Simple games and stupid rhymes
wasn't all I thought I'd find

This new wave is coming in
Don't know where to begin
Brand new trophies to win
Brand new ways to fit in

Wasted love on images
Feeling less for saying yes
Wasted love in no good case
Always waits 'till it's too late

This new wave is coming in
Don't know where to begin
Brand new trophies to win
Brand new ways to fit in

This new wave is coming in
Don't know where to begin
Brand new trophies to win
Brand new ways to fit in
