Good morning Britain.....  
Good morning Britain!  
Nobody can believe  
What the sun's gonna be.....

A married chap....  
A married chap!  
Been having it off with Annie  
Now Annie's feeling crap...  
Cause Annie's been left in the craaaa!!!

She doesn't care...  
She doesn't care!  
Cause Annie's been putting  
Herself about everywhere...

We all agree...  
We all agree!  
Annie is a scrubber get her off the T.V.!!!

Russel Grant and Jimmy Grieves  
And Gorden Honycombe  
Nick Kelly they all agree  
Send Annie back home...

Annie, Annie,  
Get the dodgy boiler off the T.V.  
Annie, Annie,  
Now we're not fond of Annie Diamond  
Get her off, get her off.... of the T.V.!!!

We're really sick...  
We're really sick!  
Annie was a canny lass  
And now she's up the stick

We couldn't tell....  
We couldn't tell!  
But now we can we know  
That Annie's a dirty Jezabel

Russel Grant and Jimmy Grieves  
And Gorden Honycombe  
Nick Kelly they all agree  
Send Annie back home...

Annie, Annie,  
Get the dodgy boiler off the T.V.  
Annie, Annie,  
Now we're not fond of Annie Diamond  
Get her off, get her off.... of the T.V....

She used to have a thousand fans  
That really used to spoil her  
Until they found out that  
Anne's a dodgy boiler...

Russel Grant and Jimmy Grieves  
And Gorden Honycombe  
Nick Kelly they all agree  
Send Annie back home...

Annie, Annie,  
Get the dodgy boiler off the T.V.  
Annie, Annie,  
Now we're not fond of Annie Diamond  
Get her off, get her off.... of the T.V.!!!
