I closed my eyes, drew back the curtain
To see for certain, what I thought I knew
Far, far away, someone was weeping
But the world was sleeping, any dream will do
I wore my coat with golden lining
Bright colors shinning, wonderful and new
And in the East, the dawn was breaking
The world was waking, any dream will do
Because a crash of drums, a flash of light
My golden coat flew outta sight
The colors faded into darkness
I was left alone
May I return to the beginning
The light is dimming and the dream is too
The world and I, we are still waiting
Still hesitating, any dream will do
Go on, a crash of drums, a flash of light
My golden coat flew outta sight
The colors faded into darkness
I was left alone, any dream
The world and I, we are still waiting

Still hesitating, any dream will do

Still hesitating, any dream will

Hello, who can that be?

Just a minute, just a minute

It's you, it's, it's, yes, it's Andrew Lloyd Webber

And you'll be hearing from my solicitor
