[Chorus:]

He just said don't worry your head
there'll be another girl instead
trust in God the father and the son
get out of her life and Bless you my soon...

You always said you wanted a stead
y boyfriend, now don't pretend
shiddle iddle ay shiddle iddle oh,

I took the path up to the Cath
edral where, he stood there,
shiddle iddle ay shiddle iddle oh...

[Chorus]...

[Guitar Bit]...

I ever thought, that I would be court
ing with you, but it's true

shiddle iddle ay shiddle iddle oh,

but it went bad because her dad

he saw me with her you see,

shiddle iddle ay shiddle iddle oh,

[Chorus]
