Well it's one for the money, two for the show

Three to get ready, let's go, cat go, let go

Don't you step on my blue suede shoes, oh yes

You can do anything but keep off my blue suede shoes

Well it's one for the money, two for the show

Three to get ready, let's go, cat go, let go

Don't you step on my blue suede shoes, oh no

You can do anything but keep off my blue suede shoes

What's the matter?

God

Well it's money, show, go

Don't you step on my blue suede shoes

Can do anything but keep off my blue suede shoes

Well it's money, show, g-g-go

Don't you step on my blue suede shoes

Can do anything but keep off my blue suede shoes,
yeah

Yeah

Money, show, go

Don't you step on my blue suede shoes

Can do anything but keep off my blue suede shoes

Money, show, go

Don't step on my blue suede shoes

Can do anything but keep off my blue suede shoes

Money, show, go

Don't step on my blue suede shoes, no

Can do anything but keep off my blue suede shoes, oh
yeah

Money, show, fame, go, go, go

Don't step on my blue suede shoes

Can do anything but keep off my blue suede shoes

Can do anything but keep off my blue suede shoes

Can do anything but keep off my blue suede shoes

Can do anything and I
