Davey's life has changed dramatically, now

We warned him but the daft puff couldn't see

Jack the Lad, but he's lost his credibility now

He's took the plunge now he lives in misery

[Chorus:]

DAVEYYYYYYYY Had no choice when the vicar's voice
put him on the spot

DAVEYYYYYYYY Davey's got hitched, Davey's been
stitched up, Dave's a clot

Davey's not the Davey that I knew, now

He stays at home with the Mrs, & he never goes out

Davey does what she tells him to do, now

SHE'S A BAG that nags, it's about time he gave her a
clout

[Chorus]...

[Guitar Bit]

Davey's anniversary is due now

His face is as long as the river Nile

Davey will not admit that it's true, now

He's been cheesed off since he walked up the aisle

[Chorus]
