Oh, yeah

It's my favorite feeling

Not there what a good place to be

Too bad it's still raining inside

Alcohol

So cool

It gets better to be here

Come to when there's nothing to say

Too bad I forgot what is thinking

Alcohol

Sunning in the messy surroundings

Easy it's just somewhere to be

Oh, yeah there is always another

One mmmm

You look like your self from the inside

Turning into something you feel

Too bad there's this image

To live with

Alcohol

I'm gone

Started feeling peculiur

Oh, yeah it's my favorite thing

Too bad I got nowhere today
