You can guess what life for Douggy  
is like, he wakes up in the street,  
No home, no bed, he says he's lucky,  
That he can smile and be happy...  
CHORUS:  
Douggy, Douggy, Giro,  
Douggy, Douggy, Giro.  
People say that he's not worthy  
of clothes, that shows that they don't care,  
But he does not let this get him down,  
That is how Douggy stays alive...  
CHORUS  
Douggy's inside a bus shelter,  
It's raining and a sight to see,  
Douggy smiles he's seen a rainbow,  
Every.. where's bright, and so is he...  
CHORUS
