Oh! I woke up with a backache

Backache! Backache!

I thought I ought to go to the first aid tin

Where I found something for my backache

Backache! Backache!

I rubbed in some cream and started to scream! Oh
no!!!

[Chorus:]

Firey Jack Firey Jack- It's red hot on your back

Firey Jack Firey Jack- Believe me it does knock

Firey Jack Firey Jack- It's red hot on your back

Firey Jack

Now I had a back ache on me backache

Backache Backache!

I jumped into the bath full of cold water

The firey Jack had made me backache

Backache Backache!

I'm worse than before I can't take anymore

Oh no!!!

[Chorus]

Oh! If you do get a backache

Backache backache!

And you feel you have to reach for the first aid tin

Think! Life is not that bad with a backache

If you see a tin with firey Jack in

Stay awayyyyyy...

[Chorus]

[Chorus]

Its red hot... on your back... on your back
