Frankie says that he's got vertigo

He says this everytime he leaves the pub, blotto.

Backaches, bellyaches, earaches & migrains

Frankie's life is misery & full of aches n' pains.

[Chorus:]

FRANKIE'S GOT THE BLUES.. FRANKIE'S NEUROTIC, HE'S
ALWAYS FEELING PIG SICK

FRANKIE'S GOT THE BLUES.. YOU WILL HAVE TO
EXCUSE, FRANKIE'S GOT THE BLUES

Frankie sneezes once then goes to bed

"I've got double pneumonia" Frankie said

Frankie lives in the doctors surgery

Everytime he has a shave he waits in casualty

[Chorus]...

[Guitar Bit]

"They say I am a hypercondriac", CONDRIAC CONDRIAC

"But I have got Yellow fever, that's a fact"

A blue bottle landed on Frankie's head, FRANKIE'S
HEAD... FRANKIE'S HEAD

"Right, that's it, I've got Malaria I'll soon be dead".
