Harry's hands are hands of mystery

Connected to all calamities

Harry's hands are hands of mystery

They're accused of all burglaries

Harry's hands ain't what they used to be

Harry's hands can't take anymore

Harry's hands are hands of honesty

It's a tragedy

[Chorus:]

And nobody understands, that Harry's

handcuffed hands falsely accused, He's confused

They made Harry's life hell, locked Harry in a cell

And put the blame, they put the blame on...

Harry's hands oo oo Harry's hands oo oo

Harry's hands ain't what they were before

The coppers call Harry a criminal

Honest Harry, he never broke the law

It's a tragedy

[Chorus]

Judge: "Harold Hands, you are an habitual criminal,

I therefore sentence you to 125 years imprisonment"

[Guitar Bit / Chorus]

Harry's hands oo oo
