Bored at a party Saturday night  
Looking at Tupperware,  
In came a chick who made me quickly  
Glad I was th there...  
How could I get the courage to  
Ask her for a date?  
Twas such a task for me to  
Ask by then it was too late

Howza bouta, oh! oh!  
Howza Bouta, oh! oh!  
She drives me crazy!  
Howza bouta, howza bouta  
Kiss baby!

Why am I such a whimp  
I thought a soft and skinny puff  
For me to ask a kiss from her  
Was difficult & tough  
Right that's it I decided  
To confront the lass,  
I started shakin at the knees  
& tried to make a pass

Howza bouta, oh! oh!  
Howza Bouta, oh! oh!  
She drives me crazy!  
Howza bouta, howza bouta  
Kiss baby!

I lose my bottle everytime  
I see a girl I like  
I start talkin jibberish  
& she says "on yer bike"  
There must be something  
I can do a kiss would make my day  
But everytime my gob opens  
I don't know what to say

Howza bouta, oh! oh!  
Howza Bouta, oh! oh!

She drives me crazy!  
Howza bouta, howza bouta  
Kiss baby!
