Ooooh, ooooo

She's a fibber

she's always telling him lies

he can't trust her

no matter how he tries

she swore to me

that I would always be the one

then she blew me out she's upt and gone

Will she ever change

she won't fib to me again

or will she stay the same way as before

[Chorus:]

I tried tried tried to trust Tracy

never trust Tracy.. she's not trustworthy

I tried.....

you shouldn't trust...

you shouldn't trust Tracy.

They both agreed she'll meet him at 9:30

she was not there

coz Tracy was with me.

Will she ever change...

[Chorus]
