Guess who's working on the fiddle

tell me who works on the fiddle

I'll tell you who works on the fiddle

oooo ooo Idle gossip

guess who's just come off the pill

tell me who's come off the pill

oooo ooo Idle gossip.

They must be thick, it's everywhere you go

it makes me sick, I just don't wanna know

about who's in the latest news, oh no.

[Chorus:]

everybody wants to know the rumours

everybody wants to know the scandle

Idle, idle,..... gossip.

Guess who can't pay their gas bill

tell me who can't pay the bill

I'll tell you who can't pay the bill

oooo ooo idle gossip

guess who I slept with last night

tell me where you slept last night

oooo ooo idle gossip

[Chorus]
