Give'z the money Peter Practice says to us

give'z the money quickly don't make a fuss

give'z the money....

Pete takes the pop groups he'll even take the trash

but if you practice at Peter's place

you must have plenty cash

give Pete the money the he'll let you have the key

give Pete the money then you can practice free

it's icy cold in Peter's place

but don't switch on the heater

coz you'll end up putting 10 quid in

Pete's electric meter.

Do you want some crisps and pop?

they're all on sale at Pete's tuck shop

we will have to put a stop to Peter

[Chorus:]

we all give Peter the money

we've all been nway

we all give Peter the money now

give'z the cash give'z the bread

give'z the money

money's gone to Peter's head.

if you are stuck

Pete will lend you an amplifier

but when it's time to go

he'll say five pound hire

Do you want some crisps and pop?...

[Chorus]

All the pop groups are nearly broke

this has gone far beyond the joke

Peter Practice is a rich bloke now
