Steve is tender Steve is sweet

she'll never let him go

Steven made her life complete

That's why I hate him so

Would she ever really understand

I came to Durham all the way from Sunderland,

when I got there I could not believe

she'd gone with that trendy creep called Steve

How could she forsake me and see this puff,

is it coz of me she's had enough

everytime I rang she was not there

I'm sorry but she's out, she's out with Steve again
somewhere!

[Chorus:]

She's in love with Steven, Steven

gonna get even, gonna get Steven,

then she won't love Steven, Steven

gonna get eve, gonna get Steve.

Are she and Steve really in love like she says they are

or is it just because Steven's dad lends him the car

or is it coz I'm ugly and Steven's not

or does he have something that I haven't got

[Chorus]

I'm gonna make him black & blue

I'm gonna kick his head in

he won't know what to do

[Chorus]
