Nobby was a soldier, a life in the Army

Margarets back home alone waiting suspiciously

She can't hide the misery, the upset & despair

When she found out Nobby had been having it off
elsewhere

There's Eric & there's Robby & there's Derrick & there's
Bobby

They gave her the elbow

There's Harry & there's Willy & there's Barry & there's
Billy also

Whose that then?

[Chorus:]

Woe is me, I'm melancholy Margaret, I fret coz they
leave me

God help me I'm melancholy. Snurree?!

Tommy was a driver he worked on the buses

"I've got some overtime to do" this is what he says

But Margaret wasn't having it, she searched high & low

But Tommy's gone he's neckin' on in the back of the
bus depot

There's Ronnie & there's Kenny & there's Donny &
there's Denny

they gave her the elbow.

There's Ronnie & there's Timmy & there's Micky &

there's Jimmy also

Whose that then?

Woe is me...*[guitar bit]*

Woe is me...
