To Bombay,  
A traveling circus came  
They brought an intelligent elephant  
And Nellie was her name,

One dark night  
She slipt her iron chain,  
And off she ran  
To Hindustan  
And was never seen again...

Oooooooooooooooooooooo...

Nellie the elephant packed her trunk and  
Said goodbye to the circus  
Off she road with a trumpety trump,  
Trump! Trump! Trump!

Now Nellie the elephant packed her trunk  
And trumbled of to the jungle  
Off she road with a trumpety trump,  
Trump! Trump! Trump!

Night by night  
She danced to the circus band  
When Nellie was leading  
The big parade she looked  
So proud and grand,

No more tricks  
For Nellie to perform  
They taught her how to take a bow  
And she took  
The crowd by storm...

Oooooooooooooooooooooo...

Nellie the elephant packed her trunk and  
said goodbye to the circus  
off she road with a trumpety trump,  
Trump! Trump! Trump!

Now Nellie the elephant packed her trunk  
and trumbled off to the jungle  
off she road with a thrumety trump,  
Trump! Trump! Trump!

Now Nellie the elephant packed her trunk and  
said goodbye to the circus  
off she road with a trumety trump,  
Trump! Trump! Trump!

Now Nellie the elephant packed her trunk  
and trumbled of to the jungle  
off she road with a trumpety trump,  
Trump! Trump! Trump!

The head of the heard was calling  
Far far away  
They meet one night in silver light  
On the road to Mandaley!

(All goes quiet...)

Oooooooooooooooooooooo...

Nellie the elephant packed her trunk and  
said goodbye to the circus  
off she road with a trumpety trump,  
Trump! Trump! Trump!

Now Nellie the elephant packed her trunk  
and trumbled off to the jungle  
off she road with a trumpety trump,  
Trump! Trump! Trump!
