*[Chorus:]*

RODNEY REMEMBER ME, RODNEY REMEMBER ME....

SHE HAUNTS RODNEY'S MEMORY

Rodney gave Sheila a slap when she begged him not to drink

"Mind yer own damn bussiness" Rodney snarled, he didn't think

Now everything from then is blurred but Rodney can't forget those words

She cried....

*[Chorus]*

Now Rodney was a slob, he treat Sheila just like muck

"Move yourself" he growled and dragged her to his pick-up truck

He looped the loop in a drunken stuper down the mountain side

When Sheila cried.....

*[Chorus]...*

*[Guitar Bit]*

OH! Rodney took her in his arms and through the broken glass

He climbed out of the wreckage & he lay her on the grass

He had too many beers, but he couldn't hide the tears

When Sheila cried.....

[Chorus]
