Rant 'n' rave,
Don't give a toss,
Show the snobs
Next who's boss
Turn the volume to size ten,
They 'll never speak to you again
Sod the... Sod the... Sod the...
Sod the... Sod the... Sod the...

Sod the neighbours, we're not proud,
Turn it up loud! Turn it up loud!
Sod the neighbours, don't pack it in,
Drive "em mad with the bleedin' din!

Party all night,
Don't care less,
show them that
You mean business
Scream, cause turmoil
& get yer neighbours
Blood to boil!

Sod the neighbours, we're not proud,
Turn it up loud! Turn it up loud!
Sod the neighbours, don't pack it in,
Drive "em mad with the bleedin' din!

Sod the neighbours...!!!

Sod the neighbours, we're not proud,
Turn it up loud! Turn it up loud!
Sod the neighbours, don't pack it in,
Drive "em mad with the bleedin' din!
