Everybody says I'm a gully ully ullible guy

Everybody sniggers & laughs when they pass by

A love sick nut easily misled

He's always infatuated

Birds all do with me just as they please

& they all say I'm a cissy with weak knees

Everybody knows...

[Chorus:]

Mug I'm a mug I've been taken for a mug again

Mug he's a mug he's been taken for a ride

Mug I'm a mug I've been taken for a mug again

Taken taken taken taken taken taken taken for a ride

I let women walk all over me

I should tell them nick off politely

A spineless sucker with no back bone

He ain't got no mind of his own

A soft touch, I am far too long to trick me

[Chorus / Guitar Bit]

I'm too vulnerable my mates say

A dimwit any dame can lead astray, ay

Everybody knows...*[Chorus x2]*

He's been taken for a mug
