Hey! hey! hey! hey!
There's a motor store at the top of Hylton Road
you go there for for little bits n pieces for your car
and in the office there sits a secretary she's got
Long blonde hair,
Mr Tommy Kowey fancies her...

[Chorus:]
I saw her in Tommy Kowey's car
I saw her in Tommy Kowey's car
in Tommy Kowey's car.

At the motor store he was there last Tuesday night
with her I saw, they were kissin at the factory door
but she still tells me, there is nothing going on
with us you see it was Tommy Kowey's wife you saw...

[Chorus]

At the motor store Mr Tommy Koweys gotta
Jag-U-Ar she's never been in it she says before
but now she tells lies, she was havin dinner out
the other night and she went in Tommy Kowey's car...

[Chorus]
