Yesterday, Huey's lips were smiling

Yesterday, when Huey was around

She would never have no fear

when she knew Huey was ere'

She still hears the sound...

Yesterday, Huey's voice a calling

Yesterday, Help me Huey cries

The day that Huey dies.

When the night grows cold and the wind blows cruelly A
HA

then biting lonely chill goes through me

And it feels so bad, so sad that OOEEE A HA

Shes never gonna have what she had with Huey.

Yesterday, She & Huey laughing

Yesterday, a life with Huey's charms

a life in Huey's arms

and the night grows cold...

[Guitar Bit]

Yesterday, Huey's heart was beating

Yesterday, she still had Huey

Yesterday, she will keep repeating

Yesterday, 'Bring Huey back to me'

'Bring me back Huey'

When the night grows cold...
