Jimmy lives his life for charity  
Jimmy's got no wife just an O.B.E.  
Everybody depends on Jimmy  
Jimmy's getting a little cheesed off  
Jimmy reckons they've all enough  
If they want Jim it's tough  
CHORUS:  
Coz when you're Jimmy Saville  
Woouoooo  
Everybody thinks yer brill  
Think yer brill  
But Jim'll Fix It's to be done  
Woouoooo  
Then that bleedin' Great North Run  
The Great North Run  
No it's never too much fun for James  
Jimmy does get up at 4:30  
But Jimmy does not get time for breaky  
He's not complaining, Jimmy's training  
Somebody's sponsoring Jim again  
So Jimmy bites his tongue & counts to ten  
"Oh stuff this" Jimmy snarles  
Coz when you're Jimmy Saville...  
For James there's no time off, Jimmy's in deep  
For James there ain't no sleep  
(guitar bit)  
When you're...  
Jimmy, Jimmy Saville oo oo Jimmy Saville  
Jimmy Saville  
Howza 'bout that then guys & gals
