"Queen of Misery"

Bouncing off the walls
Blind and dancing out of frame
Easy friends who will remain
Looking for a home
She wonders who will have the Queen alone

Every night the same
Another man, a dirty boy
Takes a turn they both enjoy
Destiny unknown
He asks if he can take her highness home

She's looking for someone to give the love that I
denied
Some stranger's brief embrace
To fill the emptiness inside
(Take her home, she's the queen of ecstasy)
(Makes you warm, she's the queen of misery)

Insane domain
Checks her makeup, bites her nails
One more tab, a dreamer's veil
Such a shallow scene
She asks for God to save the queen

She's looking for someone to give the love that I
denied
Some stranger's brief embrace
To fill the emptiness inside
(Take her home, she's the queen of ecstasy)
(Makes you warm, she's the queen of misery)

Bouncing on my knee
The innocence so quickly killed
A father's love left unfulfilled
How could I have known?
I wouldn't have left my princess all alone

She's looking for someone to give the love that I
denied
Some stranger's brief embrace

To fill the emptiness inside
(Take her home, she's the queen of ecstasy)
(Makes you warm, she's the queen of misery)
(Takes you in, she's the queen of ecstasy)
(Heaven's sin, she's the queen of misery)
