Is there a switch for that?
You gotta switch,
Come on, switch it back
Position off
Why don't you keep it shut?
I'm tired of listening while you're bitching up

Is there a switch for that?
I get no kiss for that
Switch for that
Come on, switch it back
You got a switch for that
Switch for that
Well, switch it off

I'm feeling good
About me
I'm feeling good
About the people around me
I don't care
Just what they've done
Jump in the ocean
You can lie in the sun

Is there a switch for that?
I get no kiss for that

Switch for that
Come on, switch it back
Switch for that
Switch for that
Well, switch it off

I got a switch for that
Whoo!
I got a switch
And I will switch it back
Position off
Why don't you keep it shut
I'm tired of listening while you're bitching up

Is there a switch for that?

I get no kiss for that
Switch for that
Come on, switch it back
Is there a switch for that?
Switch for that
Well, switch it off

Ooh la la la 4x
Ooh
Switch for that
Well, switch it off
