The sweet sound of patent approval comin' down in a  
not quite fog  
The sweet sound of patent approval comin' down in  
powdery sparks  
The sweet sound of patent approval comin' down with  
holiday concern  
The sweet sound of patent approval comin'  
down in a world of hurt

In my opinion the drug is ready

The warm hand of abject approval  
comin' down with its' ropey veins  
The warm hand of abject approval  
comin' down to the fingerbowl

In my opinion the drug is ready

The cold eye of constant approval comin' down to  
freeze the blodd  
The cold eye of constant approval comin' down to look  
real close

In my opinion the drug is ready
