Sometimes, when I'm walking  
I dream I'm being taken for granted  
It's then that I clearly imagine  
The Day That You Take Me For Granted  
You said, One day you're gonna realize  
You really have no sense of yourself  
And with no way to take it back  
You'll be frozen in your tracks  
Frozen in your tracks

Sometimes, when we're talking  
I feel like yer not even listening  
It's then that I clearly remember  
Rarely ever seeing you listening  
You said, When you gonna realize  
You really have no sense of yourself?  
There's no way to take it back  
You'll be frozen in your tracks

Yer simpler than the rest you don't do stupid games  
Yer not more complex you don't lay 'violent blame'

Tonight, I was walking  
Feeling alone on the planet  
When all at once something stopped me  
I realized I'd taken you for granted  
And tonight I realized  
I really have no sense of myself  
No way to take it back  
I am frozen in my tracks  
I'm frozen in my tracks  
Frozen in my tracks
