I'm going down to see my highway girl  
She just came back from around the world  
I'm gonna get me a gun, I'm gonna stand on guard  
In a little white booth in her front yard.

Throwing rocks at her window what could she do  
If you throw enough rocks one might break through  
Well she looked out her window when the police came  
To see a big tin man dancing in the rain.

Oh my little highway girl  
Oh my little highway girl

She said, Don't you think babe you push a bit too fast  
I said, Slowing down don't make it last  
And a memory's never gonna set you free  
Go out and see that world and bring it home to me.

Oh my little highway girl  
Oh my little highway girl  
Oh my little highway girl  
Oh my little highway girl
