There are words I carry in my heart
Words I carry in my heart
Clung to
Glad of
Uncommonly held
Peculiarly interlaced
Remembered and felt
Am I lovesick?
It's as if love's the only virtue there is
Am I lovesick?

The plot thins, emotions get frayed
Attractions move through the shade
Done for
Delight in
And forever held
Influence
Given life
Remembered and felt
Am I lovesick?
It's not as if love's the only virtue there is
Am I lovesick?

It's nothing to hate
Who can't hate can
Got nothing 'gainst hate
It's all the planning
It gets hard to remember
We're best when we're tender

There are words I carry in my heart
Words I carry in my heart
Words I carry in my heart
Clung to
Glad of
Uncommonly held
Peculiarly interlaced
Remembered and felt
Am I lovesick?
Maybe love is the only virtue there is
Am I lovesick?

Lovesick, lovesick
'Love is the only virtue there is' (Northrop Frye)
Am I lovesick?
