Look here, mm,  
strings of my heart baby,  
sing for you, ooh, ooh ooh

Dear when you smiled at me  
I heard a melody (yeah)  
It haunted me from the start  
Something inside of me, (mm) started a symphony  
Zing! Went the strings of my heart

Oh oh like a breath of spring  
I heard a robin sing, yes I did  
All 'Bout a nest in the park, ooh baby  
Everything seemed to be, in perfect harmony  
Zing! Went the strings of my heart

Listen to me now,  
Lord have mersey,  
It's alright  
Suck it to me, mm  
Honey, honey it's all right, oohh,  
it's alright

I still recall that thrill  
I guess I'll always will  
I hope we'll never, ever part  
(never ever part, honey)

Dear with your lips to mine (mm)  
A rapsody devine  
Zing! Went the strings of my heart

Uh,listen to me now... It's alright  
Ahh, honey, every day baby, baby, baby  
Sing for you, ahhhhhhhhhh  
It's alright, huh, mmm, honey  
Love to sing about my baby, everyday  
It's alright, huh, mmm, honey  
That's alright baby, all day, ooh  
Early in the morning, look here  
Midnight hour baby

Sing about my baby, everyday.....

Fading out.....
