And tears you try to hide.
In your heart you ask God why?
Can you help me? Will you help Me. Please
Take away the pain.
Where's the sun? I feel the rain,
Then I hear your spirit say
That I am

Free
Free to lift my hands
Free to say amen
Free to know that someday I will smile again
I'm Free
Free to laugh not cry
Free to live not die
I'm Free

I know you're troubled by your past,
And hide behind a mask.
The misery seems to last,
Through the night but it's alright! Joy
Is just a prayer away,
Don't look back on yesterday.
Then I hear the spirit say,
That I' am

Free
Free to lift my hands
Free to say amen
Free to know that someday I will smile again
I'm Free
Free to laugh not cry
Free to live not die
I'm Free

No more chains of loneliness for Christ has set us free.
For we are more than conquerors, through his love now
I can see That I am
Free
Free to lift my hands
Free to say amen
Free to know that someday I will smile again

I'm Free
Free to laugh not cry
Free to live not die
I'm Free
