Chorus:

Nnnn--Double Zeroooo--D to the Z
C'mon baby, send those to me.

(KOLGATE!)

Me I keep it twisted, keep it funky, keep it fresh.
you- you keep it sexy, taking pictures of your chest.
and yes- file transfer, i'll accept!
Inbox so heavy, my computer broke my desk!
It's A mess; the way they send in the n00dz.
I mean, some of them look good, but some straight
look like dudes! My favorite pic to get is a close up
of the clit, or her taking a lick of her own juicy tit!
like this-like that, get em skinny, get em fat.
Get the pictures that I want then i never message back!
It's A trap! not a trap house rave! Not every Myspace
girl
is a born rave slave! Like baby, baby -let me see ya
baby
maker. shake ya big ol money maker. web cam action
to hot to take huh? take a picture and send it to me
later!

Chorus x2

(JIMOTHY!)

Look another upload, a digital fantasy
filling my hard drive makes me hard can't you see?
waiting for my next multi-mega pixel fix
cause lo-fi pornography doesn't work for me
don't get me wrong I'm only down with the classy
broads
Hard to believe? well go read my blog
I may be a perv but I still got class
so get on the webcam and shake that little ass

Disclaimer, were famous, the noodz entertain us
but if you turn into a hoe then don't try to blame us
log on, click accept, for the direct connection
a little slice of heaven, wait correction, she's perfection

wait am I in love? is she sent from above?
known her five minutes and shes sending pics, what a
slut!
so what it's just myspace, come down to my place,
the reward for being dirty will land on your face!

Chorus x2

(JIMOTHY!/KOLGATE!/KDLZ!)

All these naked pictures
OMG!
Baby please send those to me!

ha ha ha, you know we love you
were gonna call you bitches
(and Sluts)
and were gonna ask to see your titties
(and ass)
but at the end of the day
trap house rave loves you!
(Send those to me)

(BREWER!)

See you can send me your noodz and thats cool
cause I'm tired of seeing the ones of you in under-roos
you got the myspace pics and the facebook too
you gotta show me them tits before you showin other
dudes
see me and my boys were all talking
fantasizing about bout you naked while we stalkin
you myspace creepin, you and your friends
cause we know that were gonna get naked pics in the
end
(bleep bleep) whats that cell phone ringing whoa
getting naked pics of some other dudes hoes!
but I ain't surprised cause thats just the way it goes
I'm gettin nudie pics from girls I don't know
and the funny thing is it happend right before the show
so after the set I'm heading straight for the door
so I can go party with some babes barely of age
and if it all works out they'll be trap house slaves!

Chorus x2
