[KOLGATE!]

[chorus]

you said that you loved me.. you said you loved me.
but really you just needed me.. yeah you just needed
me.

and this is how you treated me? this how ya treated
me?

You dug the hole then pushed me in. Buried me deep
under your skin.

[verse1]

I'm sleeping and dreaming, of her and i screaming.
our bodies collide just like cars in crash.

im broken, she mends me.

her smile so friendly. her hand fits my hand

let me hold it so gently.

I hold her so tight, one more sleepless night.

im losing this fight, i try and i try.

but try as i might my options are fading.

it's me she is hating..

i'm a dreaming a nightmare, this pain is frustrating.

and im left debating, does she love me? should i stay?

I'm sorry... I'm sorry.

forgive me, forgive me. I'm begging forgive me!

forgive me, forgive me. I'm begging forgive me!

forgive me, forgive me. I'm begging forgive me!

i'm begging, please don't turn away..

[chorus]

you said that you loved me.. you said you loved me.
but really you just needed me.. yeah you just needed
me.

and this is how you treated me? this how ya treated
me?

You dug the hole then pushed me in. Buried me deep
under your skin.

you said that you loved me.. you said you loved me.
but really you just needed me.. yeah you just needed
me.

and this is how you treated me? this how ya treated

me?

You dug the hole then pushed me in. Buried me deep
under your skin.

[verse 2]

Nightfall and shadows, the cold i can handle.
Her eyes fall so fast and she sleeps.
Her window is hazy, she says that I'm crazy.
but love has its own certain way, okay?
shes tossing and turning, my soul is still yearning.
her walls are built strong, but this fires been burning.
I witness her dreaming, i watch from afar.
I'm saving my love, safe away from the bars.
the prison that you feed me with every kiss
im starving, not eating, i'm tired of this.
feeling so pissed.
feeling so dissed.
nothing compares to a feeling like this.
this is nothing new to me.
and this is nothing new to you..
so watch me thrust that knife called lust
into our souls, we turn to dust..

[chorus]

you said that you loved me.. you said you loved me.
but really you just needed me.. yeah you just needed
me.
and this is how you treated me? this how ya treated
me?
You dug the hole then pushed me in. Buried me deep
under your skin.

you said that you loved me.. you said you loved me.
but really you just needed me.. yeah you just needed
me.
and this is how you treated me? this how ya treated
me?
You dug the hole then pushed me in. Buried me deep
under your skin.

[verse 3]

Days never seemed so long before, the nights never so
alone.
i'm longing for her special touch, but i'm sinking like a
stone.
to kiss.
to touch.
to know her love.
to kiss.
to touch.
to know..

Days never seemed so long before, the nights never so
alone.

i'm longing for her special touch, but i'm sinking like a
stone.

to kiss.

to touch.

to know her love.

to kiss.

to touch.

to know..

[chorus]

you said that you loved me.. you said you loved me.

but really you just needed me.. yeah you just needed
me.

and this is how you treated me? this how ya treated
me?

You dug the hole then pushed me in. Buried me deep
under your skin.

you said that you loved me.. you said you loved me.

but really you just needed me.. yeah you just needed
me.

and this is how you treated me? this how ya treated
me?

You dug the hole then pushed me in. Buried me deep
under your skin
