I'm the girl, you always wanted  
I live in your dream like a princess  
I'm sorry dissappointing you yeahh  
Ohh ohh I don't wanna see you no more  
Ohh ohh girls we party tonight

So baby see me blowing the night  
I'm now the girl you used to have  
.. That girl who make your dreams a total mess  
But uhh baby babyy  
I'm glad to see you away

Refren:  
Cause i never want to be back in time  
I wanna live this night like its the last  
I'm dreaming of dance and desire  
Cause tonight ma love is the music

Cause i never want to be back in time  
I wanna live this night like its the last  
I'm dreaming of dance and desire  
Cause tonight ma love is the music
