There's a girl, that I know  
She takes things to make her grow.  
A bit of this, a touch of that  
A little luck from her big black cat.  
She lives in the East End  
In the land of make pretend  
So rich, so pretty  
So sad to see her silly

I feel so sad for you  
You make my brown eyes blue  
Don't know love she's a Chemical Girl  
Don't know love she's a Chemical Girl

The whole world's, at dispose  
15 and a brand new nose.  
Spends the night at a tube stop  
She didn't have to lie to a cop.  
This world, can be shitty  
I've seen it all in New York City.  
From her mom's perocets  
to hormones from a human vet.

I feel so sad for you  
You make my brown eyes blue  
Don't know love she's a Chemical Girl  
Don't know love she's a Chemical Girl
