As heavy as the oceans, blinding as the sky
Torniquete inside of me, I'm a neon suicide.

Swinging from the heartache, from one dot to the next
19 done and I'm long gone, I crush the acid test.

You don't see me, You don't hear at all

OC or Brooklyn. I never care.
I'm hear to take back, dead waves on the air.

All stung out on Sunset, near the Dead of Dawn
Dead Waves on the radio that's why I wrote this song.

You don't see me You don't hear at all

OC or Brooklyn. I never care.
I'm here to take back, Dead Waves on the Air.

Osaka, Glasgow, Los Angeles. I wanna see those fists,
Right up in the air.

Dead Waves on the Air.
Dead Waves on the Air.

I'm here to take back, Dead Waves on the air.
Manchester, Dallas does Philly care?
