Out where the stars meet sea
There's a chance that you'll find me
Contemplating morality
Cuz I don't belong and I won't belong!
Waving my freak flag proud
All alone standing in a crowd
I painted black your pink clouds
Cuz i don't belong and I won't belong!
You sure know how to waste your time,
But you won't waste mine, I won't compromise

Horns and halo's

I can't saw off these horns
But I can learn to fly
Dry your eyes and please don't mourn
Cuz I don't belong and I won't belong!
Angel to the left of me
Devil to the right I see
I'll make them both Jasmine tea
Cuz i don't belong and I won't belong!
You sure know how to waste your time,
But you won't waste mine, I won't compromise
