Why you sell your soul for another dime?  
When you break your back and you're still behind  
Why save your dreams for a rainy day?  
Don't you know that they're not that far behind?  
I want to take you to where I come from  
Wanna stay out till I see the sun  
30,000 feet and White Line Fever  
Sympathy for souls that don't know either  
13,000 feet and I need a breather  
I finally figured out..  
I cant wait can't wait to do nothing  
I cant wait to do nothing at all  
I won't live in an elevator  
to give power points tips to chief dictators  
I want Trashlight Vision free to all children 6,6,6, and  
up  
Trashlight Vision hot as hell kitchen and I'll never get  
enough  
See me hear you  
You don't see me  
See me hear you  
You don't see at all
